"Writing Synopses & Queries"

April 23rd, 2022 at 1 p.m. Eastern time

In this workshop, you'll learn the ins and outs of writing synopses and query letters for fiction, literary nonfiction, and memoirs—what to do and what *not* to do.

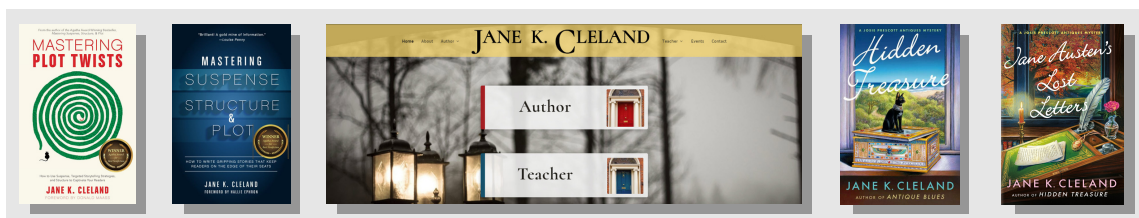

We'll discuss the specific parameters agents and publishers expect—how long each one should be, what elements should be included, and what tone to use. You've worked so hard on your book, don't sell it short with a weak synopsis or query letter!

Spend an hour with me on Saturday, April 23rd at 1 p.m. Eastern time while I discuss this essential topic. There will be time for questions at the end!

You're welcome to [sign up here](#), and I'll send you what you need to access the workshop.

Also, I'd love it if you could help me spread the word about my free workshops by sharing this flyer via email or on social media.
