"Writing Short Fiction that Sells"

June 18th, 2022 at 1 p.m. Eastern time

Writing short fiction that sells is as complex as writing a novel!

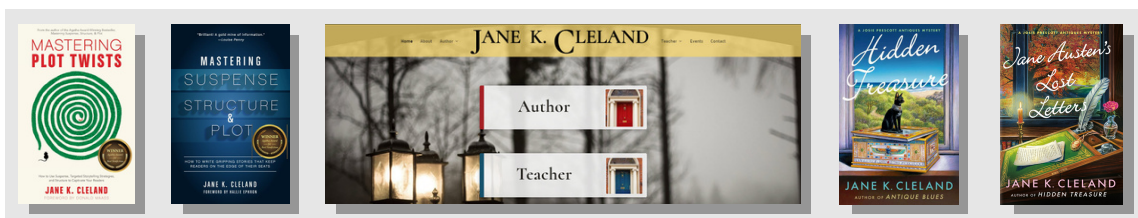

In this workshop, you'll discover how to create a short-format story arc (crucial) and include fully developed characters and a rip-roaring plot, despite the limited scope (also crucial).

Linda will be sharing the wealth of information she's learned over nearly three decades with *Alfred Hitchcock Mystery Magazine*.

You're welcome to [sign up here](#), and I'll send you what you need to access the workshop.

Also, I'd love it if you could help me spread the word about my free workshops by sharing this flyer via email or on social media.

Tell your friends! Invite your writer's group or book club! Readers welcome, too! Thank you so much!
