**"Astonish Your Readers with
Perfectly Planted Clues"**
October 15th, 2022 at 1 p.m. Eastern time

Clues aren't just important to the central plot of your story, they're often the key to rich and satisfying subplots too! If your clues aren't clever, your story might come off as poorly planned or contrived.

In this workshop, we'll discuss tips and techniques to wow readers by seamlessly weaving clues into your stories in ways that will make you look like a plotting genius.

During my presentation, we'll explore numerous examples so you'll know how to implement these proven techniques in your own work.

A live Q & A session follows the main presentation!

You're welcome to [sign up here](#), and I'll send you what you need to access the workshop.

Also, I'd love it if you could help me spread the word about my free workshops by sharing this flyer via email or on social media.

Tell your friends! Invite your writer's group or book club! Readers welcome, too! Thank you so much!
