

Immersive stories readers can't put down require characters they can connect with.

Learn to align character motivations with incidents that result in transformation over the course of the story, and create realistic, believable characters who act in ways that feel natural and draw in readers.

"Jane's Character Transformation Roadmap"
May 20, 2023 at 1 p.m. Eastern time

Just as Jane's Plotting Roadmap helps you delineate your plot and control the pace of your story from the inciting incident to the final twist, Jane's Character Transformation Roadmap will help you to track how your character develops throughout your story, streamlining the process of creating compelling characters your readers won't soon forget.

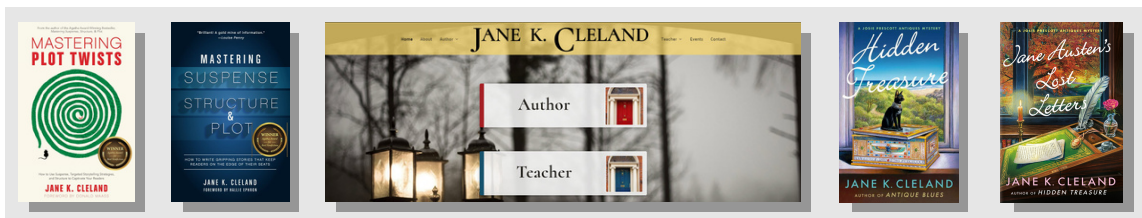

In this workshop, we'll explore the importance of character transformation and look at considerations you should keep in mind when planning your character's transformational journey.

You'll leave the webinar with actionable ideas you can put to work immediately to create dynamic, compelling characters in your own writing.

You're welcome to [sign up here](#), and I'll send you what you need to access the workshop.

Also, I'd love it if you could help me spread the word about my free workshops by sharing this flyer via email or on social media.

Tell your friends! Invite your writer's group or book club! Readers welcome, too! Thank you so much!
