September 16, 2023 at 1 p.m. Eastern time

If agents or readers can't connect with your characters, your book will not sell.

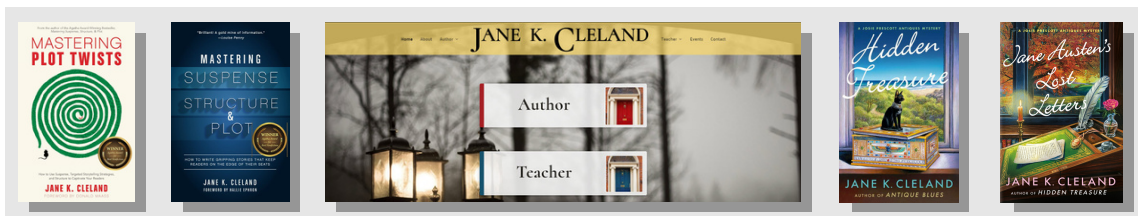

You need to know how your characters should dress, decode the nuance of body language, determine what they should say (and avoid saying), and have a clear understanding of how they should act so they connect with readers (and agents) on a deep, meaningful, emotional basis.

We'll explore these crucial concepts while I provide essential tips and tricks to help you create relatable characters every time.

You're welcome to [sign up here](#), and I'll send you what you need to access the workshop.

Also, I'd love it if you could help me spread the word about my free workshops by sharing this flyer via email or social media.

Tell your friends! Invite your writer's group or book club! Readers are welcome, too! Thank you so much!
